ANGELO AND MARIO QUEIROLO WIN

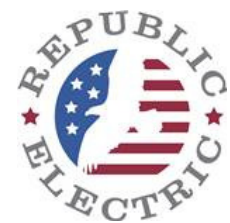

THE LAST TOURNAMENT IN THE 2014 SEASON

AND THE ANGLERS OF THE YEAR HAVE BEEN NAMED

We were set up in the Russo's Marina office and taking sign-ups before 4 AM on Saturday morning. As Safe Light was drawing closer and most of the boats were in the water, Mathew Clark from our Coastal Region checked in and he drew boat number 24 as the first boat out in the Big Boat Division. As it was getting closer for the sun to make an appearance, the boats were staged and the Small Boats began to leave for their first locations at safe light followed by boat number 24 and so on. The weather was sunny and then the wind made an appearance. Some locations had more wind than others, enhancing the day for some teams while others suffered with catching their limit.

As Angelo Queirolo from Ripon and his cousin Mario Queirolo from Manteca came to the scales with a nice limit weighing 26.95 pounds with their largest bass weighing 6.88 pounds for Fourth Place Big Fish caught by Mario, giving them First Place in the Big Boat Division. They told the crowd they caught their fish on Baby Bass and Red/Black Chatter baits deep into the tules in Old River by Discovery Bay in the Tracy area in eight feet of water which made their day successful. They walked away with two First Place trophies and \$2,605.00 in cash. Congratulations Angelo and Mario on your catch of the day!

Mike Hamontree of Ceres and his partner Bronson Collins of Salida came to the scales with five bass weighing 25.72 pounds for Second Place and the largest weighing 7.13 pounds caught by Mike, giving them Third Place Big Fish and Mike the Lunker Club status! They mentioned they fished the south end of the Delta using top water and flippin' techniques for their bass. They took home trophies and \$1,590.00 in winnings. Congratulations guys on your Second Place win!

Third Place was the team of Matt Leverich from Oakley and his partner Travis Tate from Brentwood. They came to the scales with their limit weighing 20.91 pounds. Their largest bass weighed 6.55 pounds, not enough for big fish but added to their weight gave them \$865.00 in cash! They told the crowd they fished frogs and weightless worms for their bass.

Fourth Place was the team of Nick Nourot and Ryan Bottini, both from Benicia who came to the scales with 20.84 pounds for their limit. They took home \$600.00 in cash. Sweet!

Rounding out the top five in the Big Boat Division, Cameron Cardoza from Ripon and his partner Dave Holmes from Tracy came to the scales with 18.62 pounds anchored by the largest bass of the tournament, caught by Cameron weighing 8.44 pounds! Cameron was so excited on his catch and took home the First Place Big Fish trophy and became another member of the Lunker Club! They won \$1,015.00 in cash for their six hours on the Delta! Congratulations guys!

As anglers were going into the last tournament of the season in the Delta Wine Region, the Anglers of the Year points were close so it was down to their final weight to see who was to take the title. When the tournament was completed and the results were uploaded onto the computer, the final results were in for the BBT 2014 season.

CLAUDIO SILVA AND JUAN CARLOS VELAZQUEZ

TAKE ANGLERS OF THE YEAR IN THE BIG BOAT DIVISION DELTA WINE REGION
Congratulations to Claudio Silva and Juan Carlos Velazquez for winning Anglers of the Year in your division! They did well enough to hold their lead. We look forward to seeing you both at the TOC. Thank you for fishing with Best Bass Tournaments! CHUCK AND AARON WOOD TOOK

FIRST PLACE AND WON THE TITLE OF ANGLERS OF THE YEAR IN THE DELTA WINE SMALL BOAT DIVISION

The father and son team of Chuck and Aaron Wood from Fairfield had a tough day on the Delta. They weighed in three bass and didn't think they had a large enough weight to place in their field, so they went home. Their bass weighed 6.96 pounds which turned out to be First Place in the Small Boat Division and also gave them enough points for Anglers of the Year. Where they fished, what techniques they used, etc. is a mystery. They will receive their trophies at the TOC. Congratulations Chuck and Aaron for winning the title of Anglers of the Year in the Small Boat Division in the 2014 BBT season! Honorable mentions: Second Place Big Fish was caught by Vijay Malhotra of Sacramento, weighing 7.59 pounds and became another member of the Lunker Club.

Vijay and his partner Scott Bern of San Rafael had a limit weighed 15.84 pounds for their five bass, giving them Seventh Place in this tournament and \$515.00 in winnings.

Tony Vaughn from Sacramento caught the Fifth Big Fish of the tournament weighing 6.75 pounds. Tony and his partner Thaxter Arterberry, also from Sacramento weighed 13.76 pounds for their five bass for Fourteenth Place. They took home \$170.00 in cash. Nice! Several anglers placed cash into the Todd Iwamoto Memorial Fund tackle boxes, which will be given to Todd's family, his wife Michelle and their 9 year old son and their 5 year old daughter, after the TOC. Anyone who would like to make donations to the family, the tackle boxes will be present at The Bass Fest on August 23rd and 24th and at the TOC. Todd was not only a friend of ours he was a BBT angler who lost his life fishing in a boating accident. Thank you to everyone who has given money in memory of Todd to his family. As the Awards Ceremony began, Emerald Premium Snacks -

packages of the new Sweet and Salty Dark Chocolate Peanut Butter Blend Nuts and Cinnamon Roast Almonds were tossed to the anglers to enjoy while waiting to hear the results from their day of fishing. Boat numbers 8, 29 then 33 was drawn and the team of Ronald Rushing and John Garrett were present to win the Wear It California Campaign and walked away with the Life Jacket. As Randy was handing the life jacket to the team, Gary Morris and Barry Mc Coy were actually present, boat number 8 which was the first number called, so Randy also gave them a life jacket since it took the team some time to walk up to the front. Enjoy your life jackets and wear them! A receipt was drawn for the Sponsor Tackle Bag containing Yakima Baits, Timber Tiger, Poe's Ace in the Hole, Berkley Havoc, Berkley Power Baits and Stren fishing line. Kevin Ryan was the lucky angler who was present to win this great prize. If you win money at the tournament and leave before the Awards Ceremony, you will receive your winnings at the next tournament you fish or you can meet up with your director to receive your money. Winnings will not be mailed to you. Sponsor Tackle Store Receipts Program - If you purchase tackle valued at \$20.00 OR MORE from our Sponsor Tackle Stores, listed below or go Online to make purchases through the Optimum Baits or ima websites, you will receive a discount from being a member of the BBT. Keep your receipt and write your name and phone number on the back of it then place it into the bucket, which is at every tournament check-in. You will have opportunities to win prizes during the Awards Ceremony after each weigh-in. You MUST be present to win. At the close of the Awards Ceremony, all receipts drawn are placed back into the bucket for more chances to have them drawn at future events in addition at the TOC. If you are not present and your name is called, you forfeit your prize and it is donated to the TOC. Remember to support the sponsors who are supporting you in bass fishing whenever you can.
